

Attention: 8th Grade Parents

The Career Counselor and Special Population Coordinator at Greene Central High School have been assessing you child's career interest, career aptitude and learning style. This information will be available to you upon request and is housed at the high school in the counseling center.

Parents and students may also access their child's Career Placement Survey (CAPS) assessment at the website: **signin.edits.net**.

Username- first name last name

Password- ID number (lunch number)

This information is helpful in creating a 4 year plan of courses that are required at the high school and choose CTE courses and other elective classes.
